## Microprocessador integrates PRODUTECH4S&C

20/07/2022

ERISING WAS PRESENT AT THE ANNUAL PRESENTATION CONFERENCE OF THE PRODUTECH PROJECT 4S&C.

ERISING participated as a speaker in this initiative promoted by CATIM.

ERISING, as part of the PRODUTECH4S&C Mobilizing Project with the PDCA 4.0 solution developed together with IST and Vanguarda, participated as a speaker at the Annual Conference held on November 30th at ISAG – Porto. The conference promoted by CATIM facilitated interaction between technology supply companies, scientific system entities and companies that use production technologies. The themes of Supply Chain, Energy Resources and Sustainable Production, within the scope of Continuous Improvement, were widely discussed, highlighting the motivation of national companies to promote technological development in their productive areas.
